

**JOB TITLE: Data Modeler****Job ID:****Job Location:** Contractor location**Job Category:** Engineering

Athena Technology Group, Inc. is a Service-Disabled Veteran Owned Small Business (SDVOSB) focused on Information Technology and Communications consulting, system engineering, integration, deployment and operation of state-of-the-art command and control and information systems that deliver critical network centric solution to the warfighter. With a proven track record of technical support to our customers, we are looking for innovative industry professionals to join our team. Please contact Richard Volz (703 489-8263) at [info@athenatechgrp.com](mailto:info@athenatechgrp.com)

**Roles and Responsibilities:** ATG is currently seeking a Data Modeler to fill one full-time role in its Washington, DC metro area office. This position will support the Department of Veterans Affairs (VA), Veterans Experience Office (EVO), Multi-Channel Technologies' (MCT) Customer Information Services (CIS) Division. The Data Modeler provides technical expertise for the production of detailed database designs and design documentation, including data models and data flow diagrams. Tasks may include:

- Evaluating and configuring database products to match user requirements with system capabilities
- Determining file organization, indexing methods, and security procedures for system databases
- Planning and coordinating conversion and migration of existing (or legacy) databases

**Soft Skill Requirements:**

- Strong verbal and written communication skills
- Organized with strong attention to detail and quality
- Self-motivated with an ability to think on ones feet
- Eager to learn and self-sufficient

**Qualification and Education Requirements:**

- Bachelor's (BA/BS) Degree.
- Minimum 4 years of experience supporting data modeling
- Proficient in Microsoft Tools Suite (Word, PowerPoint, Excel)
- Delivered projects in the VA giving them understanding and experience with full spectrum of Veteran data and VA OI&T processes
- Exposure to CIS products desired- including Enterprise Veteran Self Services (EVSS), the VA Master Person Index (VA-MPI), VA/DOD Information Repository (VADIR), the Veteran Identification Card (VIC), and Vet360.
- Ability to obtain a NACI clearance
